ABG Autumn Catalogue – 2006 NEW RELEASES

Rough Passage

Commander R.D. Graham

SEAFARER BOOKS
ISBN 0954706242

200 PP, PB, \$32.95

A true classic of the sea – the story of one of the first single-handed voyages across the North Atlantic, braving hurricanes and food poisoning, in a small engineless gaff cutter, long before the days of GPS. By the father of Helen Tew (*Transatlantic At Last*).

MAY

Positioning Navies for the Future

Jack McCaffrie (ed)

Foreword by **Admiral Chris Ritchie, Chief of the Navy**

HALSTEAD PRESS & THE SEA POWER CENTRE
ISBN 1920831339

272 PP, HB, \$39.95

Australia faces a changed world. Terrorists – since 11 September 2001 – are as active as hostile states. Global coalitions demand 'interoperability'. Innovations make shiny new ships look obsolete. It's easy to say navies must move with the times. This book looks beyond the cliché, at what that means in substance.

MAY

250 Kakuro Puzzles

Alan Ross
D&B PUBLISHING
190446825X
192 PP, PB, \$14.95

Kakuro is **Sudoku's** bigger, tougher brother. Also known as Kakro or Cross Sums, in its native Japan, it has millions of followers. Although its rules are simple, completing a Kakuro puzzle can be a considerable challenge. This logic puzzle uses numbers and basic arithmetic to perplex. Kakuro puzzles can come in various sizes from a simple 6 x 6 grid through to giant 30 x 30 mindbenders. The basic idea is to fill in a crossword-type grid so that each set of blank squares adds up to the total to the left or above. Only the numbers 1-9 can be used and the same number cannot be used more than once in each set.
